February 13: Woodland vs Friends

February 13- 15: Parent Conferences

February 16- 19: Mid Winter Break: No School

February 20: Classes Resume

February 23: Interim Progress Reports

Many Hands Make The Miracle Of Woodland Possible

From Mr. Allen's constant efforts (that ladder is REALLY high(!)) around campus, Mr. Seabrook's support (for example plowing our campus last weekend), to the teamwork demonstrated by the O'Brien and Robinson families this weekend, many hands contribute to the promise of Woodland.

Woodland family's volunteerism in supporting our community, and something special for our children is rare, remarkable and represents incredible stewardship. The many community days which build up the Fall season are a testament to the positive intentions and difference we can create for our students, and the rich experiences we can pour into the foundation of their lives. All that we do, models for our children all that we believe they can be.

In the weeks and months to come, we will be looking to add some beautification days and would love to have our students and families join us for various projects. At this time, I would like to extend a heartfelt thank you to all of the families who have lent a hand, constantly helping our vision of Woodland come to life, and serve the children in our care. We are what we give ourselves to. I thank you ALL for giving of yourselves and being examples of conscientious care, helping hands, positive attitudes and the belief in the remarkable people we esteem our students to be.
