**Woodland Panthers have been putting the work in to build Strength as a team!**

**Thank you Mr. Hamilton, Mr. Seabrook and Mr. LoBiondo for committing your time and energy to the development of our athletes in skill development, knowledge, and sportsmanship!... Oh,.. and: *F U N!!!! Lots of FUN!***

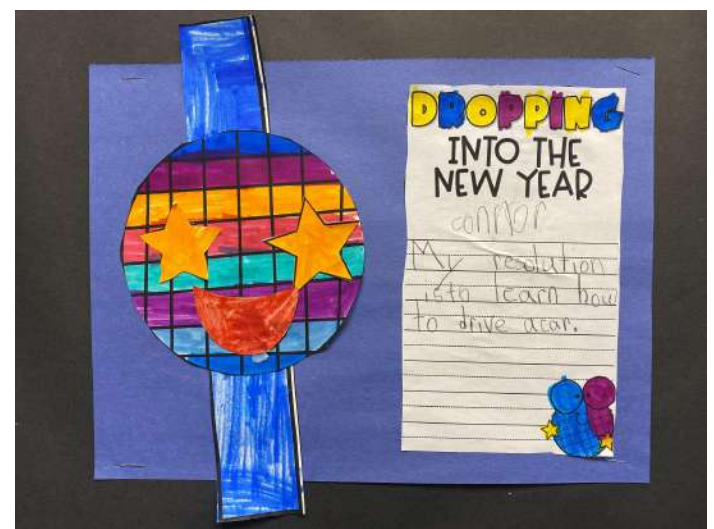

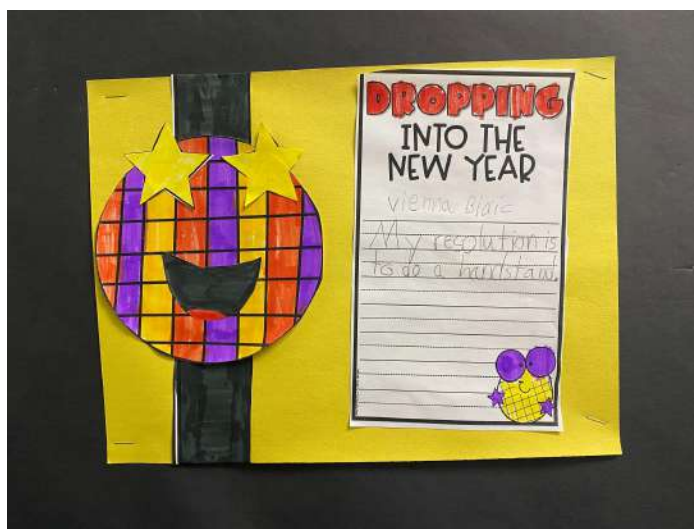

***Congratulations Mrs. Zirkle!!!***

Thank you to all those who supported our Louis Vuitton Fundraiser!

While all of these combined efforts go a long way toward supporting the education we work to cultivate at Woodland, it was great to see the surprising moment which revealed Mrs. Zirkle as the winner of our drawing.

Having seen her at each Designer Bag BINGO, in addition to her families concerted efforts to lend a hand on a continual basis for the good of Woodland, it's wonderful to see something like this come back to a family so committed to our community.

***CONGRATULATIONS!***

**Grade 1 Students are setting some outstanding goals for the year!**

**Thank you for being part of the *WOODLAND Community!***
