School Closed

April 2: Classes Resume

Basketball

Woodland Basketball finished their season with a legendary game demonstrating amazing efforts, attitudes, and sportsmanship which represent our highest ideals. With a tied game going into overtime after overtime, both teams hustled, worked hard and brought packed bleachers to the edge of their seats. Thank you to our incredible athletes and competitors for giving their all and demonstrating astounding growth throughout the season. We are proud of what you have accomplished(!) and thank you, our coaches, and supportive parents for contributing to the legacy of Woodland!

Golden Pigeon Fundraiser for Woodland Drama Club

Woodland families came out in support of our upcoming production of *Beauty and the Beast* on Tuesday, enjoying a vast menu of dinner entrees, as well as delicious looking pancakes at the Golden Pigeon. While the evening was a great fundraiser, it managed some Woodland magic beyond that as families shared company, laughter, and time together. What in inception was a good fundraiser, the evening turned into a fantastic night of community building. Thank you to everyone who comes together for Woodland, supports our goals for the students we serve, and cultivates our story. You are awesome.

Recycling Assembly

Bill Kerwood brought together an outstanding assembly to close out the week. While the focus was on recycling, Mr. Kerwood presented an extraordinary magic show full of positive energy, positive messaging, and did an amazing job including our students. [PLEASE CLICK HERE FOR A LITTLE TASTE!](#)

Grade 2 & Their Time Capsule

Grade 2 put a time capsule together this week, which included letters to their future selves! With the plan to reopen the capsule in Grade 6 on Leap Day, this is a fantastic activity which allows for reflection, self-perception, and a sense of wonder. I can only imagine their reactions in a few years when they get the chance to rediscover themselves, and consider where they are as much older students.

A Few Photos To Share Some WOODLAND Magic!

Thank you for being part of our WOODLAND Community!
